

The Queen's Platinum Jubilee Celebrations At Wellington

And

The Queens Platinum Jubilee Celebrations @ Wellington Lions

Thursday 26th May, 2022

Wellington Lions celebrated The Queen's Platinum Jubilee on Thursday. Children were treated to a Street Party lunch, full of lot of decorations, music and special guests. The staff and children donned the best of outfits, ranging from the 1950's right up to the modern day. We had Hippies, Foot soldiers, Disco divas to name a few, everyone really made an effort and got in the party mood.

The mayor of Tidworth, Councillor Mark Connolly was in attendance at our celebrations. Much to the children's delight, he got involved in many activities such as Maypole Dancing and Hula hooping.

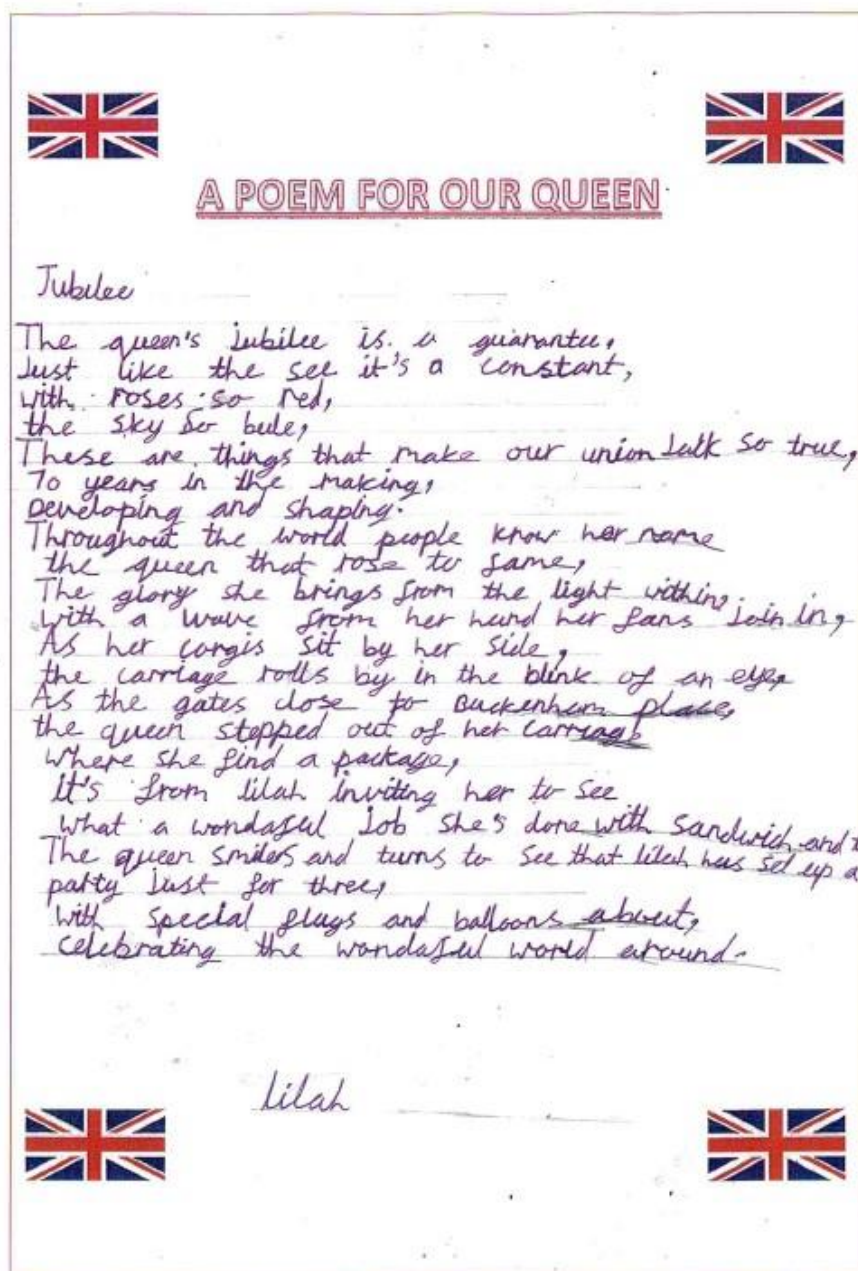

The Children here in Wellington Lions took part in a Local Community Project, creating Art work in which Tidworth transformed into Banners, which were then displayed throughout Tidworth, on the Lamppost's around the main road. The children had great fun creating these, and we look forward to receiving them, once the celebrations are completed.

Celebrating the Queen

Our Year 4 student, Leila, wrote this poem in Welly Extra, and the staff thought it so great, she read it out as part of our celebrations today in front of the whole school and Town Mayor, Councillor Mark Connolly.

The biggest surprise of the day came when the children sat down for lunch, singing a great rendition of “God Save The Queen”, she herself made an appearance. It was a flying visit as she had to continue on her Jubilee Tour, but we were delighted that she decided to pop in!

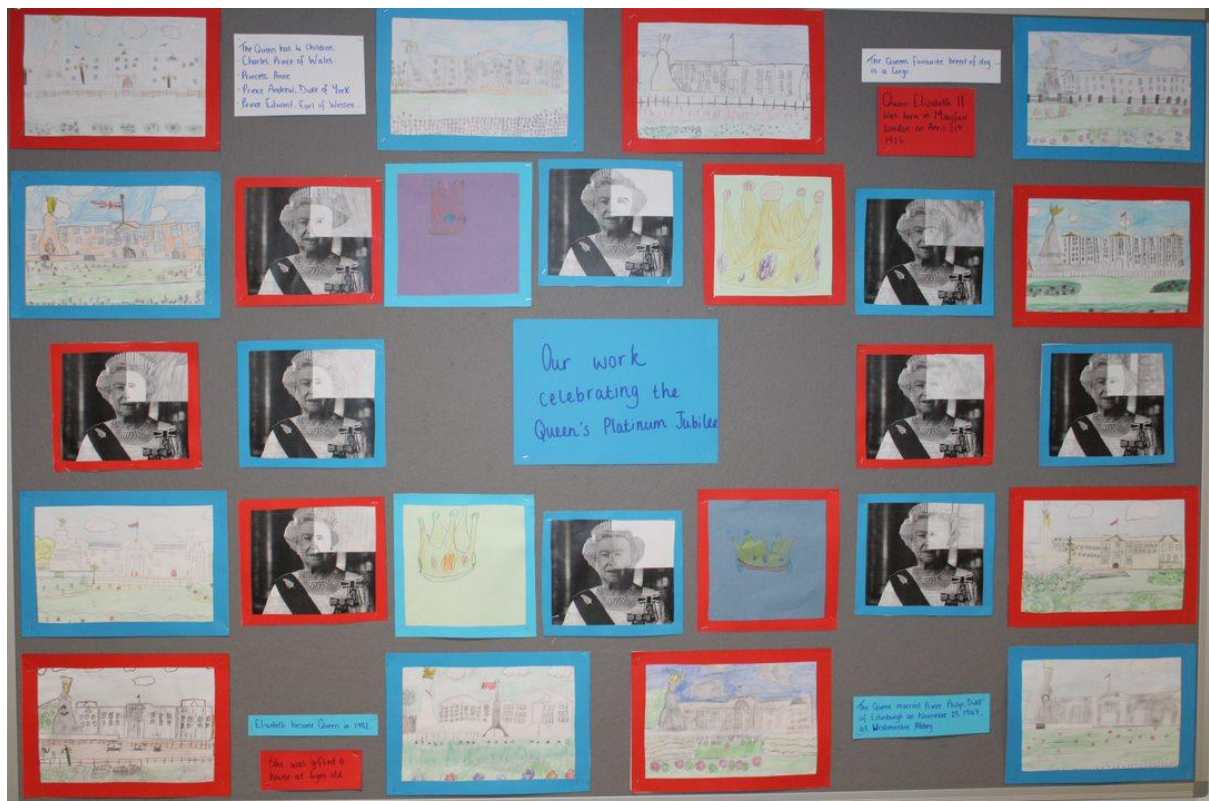

A massive “THANK YOU” to all staff who made the day possible, the kitchen staff for an amazing lunch and all parents for helping the children take part. They really had the best day.

The Queens Platinum Jubilee Celebrations @ Wellington Eagles

Thursday 26th May, 2022

Wellington Eagles celebrated The Queens Platinum Jubilee on Thursday 26th May 2022. There was a great build up to “Decades Day”, with the children creating lovely displays for their classrooms. This helped them learn and understand more about the day and why it was such a big celebration.

Children and staff both made great efforts in their outfits for “Decades Day”, with a range of outfits covering all, from the 50’s to the present day. We had some Foot Soldiers, 90’s kids, Hippies and more, even Neil Armstrong made an appearance.

A big thank you to Harrison's for creating the best party lunch for the children. With the weather holding out we were able to have a fun Street Party Lunch, in the playground with music and dancing. This really set off the party mood.

Tables were taken outside and decorated to match the theme, all year groups then ate together and enjoyed the atmosphere.

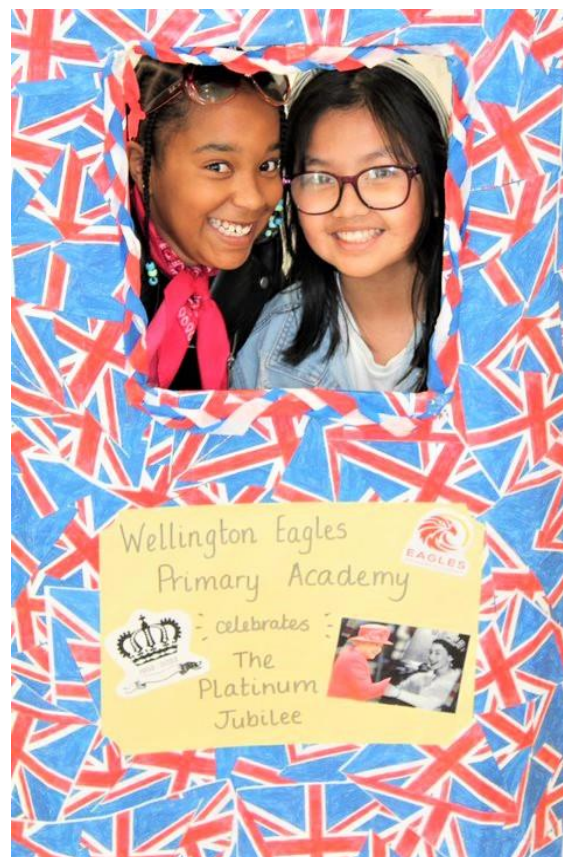

Harrisons create a Street Party style lunch with Chicken bites, Sandwiches, Sausage rolls, followed by a Trio of deserts.

After lunch the main activities began. Lots of games were set up across the playground/Outer field which the children could move around freely taking part. Some of these were, Welly boot throwing competitions, Bean bag throwing + The Platinum Jubilee Orienteering course.

The children finished the day with a visit to the schools very own, Platinum Jubilee Photo Booth.

Everyone here at Wellington Eagles would like to say a massive “THANK YOU” to all staff who helped make this such a special day for the children, and all parents for making such an effort with their costumes. To our special guests, a big thank you for attending, our town Mayor and Governor Representatives. The children really had the best day and will remember The Queens Platinum Jubilee and how they celebrated, for a long time to come.
