Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022. Please see note above	63%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	63%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	30%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year 22/23			
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school			
Intent	Implementation	Cost	Impact
<p>Ensure that there is a range of events on offer throughout the year so that all children will have the opportunity to take part in a competitive sporting event.</p> <ul style="list-style-type: none"> • Improve culture of healthy lifestyles across the school. • Providing the appropriate and diverse equipment and resources for teachers so that lessons can be taught at a high level. 	<p>Plan sports intra-house events throughout the year</p> <ul style="list-style-type: none"> - Schools football week – encourage girls into football. • Ensure the range of sports on offer are wide and various by using both in house staff and various trained coaches. • Ensure that children are carrying out Marathonkids daily mile to highlight the importance of healthy lifestyle choices. • Have opportunities for sport to be carried out at all available times by allowing access to PE equipment during break time and lunch times using trained playleaders. <p>Ensure that activities and accomplishments are celebrated in assemblies and on PE display to encourage participation.</p>	<ul style="list-style-type: none"> - Bikeability – KS2 - £500 - Minibikers – EYFS/KS1 - £600 - Intra-house games - £600 - Outside coaching agencies - £5000 - Playleaders equipment and resources - £5000 	<p>Outside agencies provide expertise to children and allowed a wide range of experiences.</p> <p>Playleaders training enabled children to gain confidence in leadership and teamwork. Their work with the younger children provided a friendship and support system.</p> <p>The allowance of using PE equipment at other times developed children’s knowledge and expertise.</p> <p>Feedback from bike-ability and mini-bikers was all positive. Lots of parents and children gaining skills quickly that would otherwise would not have been available to them.</p> <p>PE board with activities throughout the year enabled children to reflect on key events and use this as discussion points. To improve this</p>
