Spring Term 2

19th February – 28th March 2024

RE:

In RE we will focus on the importance of Easter. The children will be exploring the idea of resurrection and how Christians' use this time to remember those who have passed.

Maths:

We will be consolidating our knowledge of money. The children should be able to recognise coins based on their real-life experience, each coin and its value. We will need to formally introduce to the term "worth" and its meaning in this context.

After this, we will move onto Multiplication and Division by making arrays, using repeated addition and our times tables.

Computing:

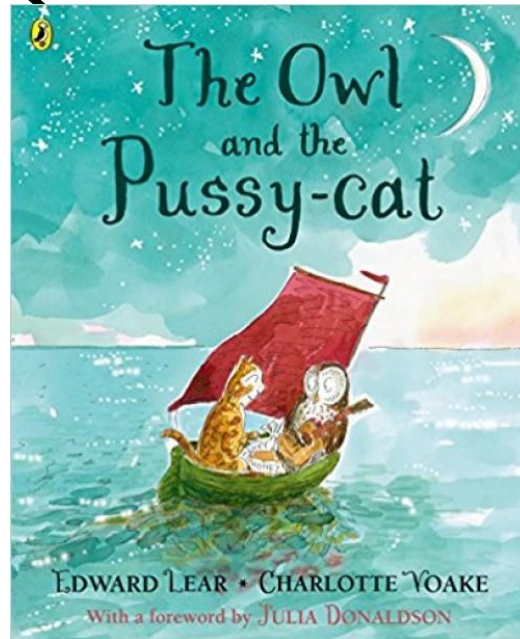

We will be continuing our work of logging on and off computers and discovering about internet safety.

PE:

We will be focusing on how to hit a ball, catch a ball, and run with a ball (in different ways).

PSHE:

In PSHE (Personal, Social Health Education), we will be exploring growing, working, and living in our world. We will also learn different ways on how to take care of our world.

DT:

Pupils will continue to expand upon their knowledge on what is a structure and how to make one - from last term.

Geography

We will be discovering characteristics of a UK map, human and physical features of on a map, the difference between oceans and seas and their names.

Science:

We will be learning about the basic survival needs of animals, what is personal hygiene, the positive effects of exercise. We will also learn about the different food groups.

Home Learning:

Please read with your child daily, if possible, but a **minimum** of **five** times a week. Students who are off the phonics program can use their AR books to take a test at school or at home. Please practice the 2, 5 and 10 times tables.
