

Remembrance Day 2025 at Eagles

In honour of Remembrance Day 2025, pupils at Eagles came together to show their respect and gratitude for those who have served and sacrificed in times of conflict. As part of our annual tradition, the school community supported the Royal British Legion's Poppy Appeal with great enthusiasm.

Throughout the week, members of the School Council took on the important role of selling poppies and other commemorative items during break and lunchtime. Their dedication and teamwork helped raise valuable funds for this meaningful cause.

It was heartening to see so many children proudly wearing their poppies, symbolising their understanding of remembrance and their commitment to supporting veterans and their families. The spirit of reflection and unity was felt across the school, reminding us all of the importance of remembering the past to build a better future.
